Bhutan is a tiny country that is nestled among the mightiest mountains in the world. This is the land of dramatic mountain scenery, buddhism, and some of the most beautiful woodworking you will every see.

With one week in Bhutan, you can explore the cultural heart of this country, making memories that will last for a lifetime..

Bhutan Lost Kingdom Tours and Treks has over the past years catered our Services to many Guests, ranging from simple folks like ourselves, to Royalty. Henceforth, too, we will remain ever dedicated and caring to all our Guests traveling to Bhutan. This is how we have had many more Guests coming through over the years.

Sonam Dorjee regularly visits Santa Fe and has presented Bhutan in a slide show at Travel Bug
