A Walking Tour in Provence
France

May 19 - 26, 2020
\$3285

While designed for the moderately active hiker, with walking distances between 5 – 8 miles and elevation gains up to 1200 feet, this trip can also accommodate non-walkers able to explore on their own. Group size 10-14.

Welcome to Saint-Rémy-de-Provence, the heart of the Alpilles Regional Park. Experience the hospitality of this charming little town, birthplace of Nostradamus, with its many café terraces and restaurants and enjoy the authentic French Provençal way of life. Our walking tour with spectacular scenery every day provides an exceptional blend of discovery and experiences. It will lead us from the exquisite hills of the Alpilles with the best Artisan & Crafts market in Provence, to the rugged beauty of the Luberon's hilltop villages and the papal city of Avignon. We will also visit the UNESCO World Heritage Roman city of Arles, the wetlands of the Camargue with their unique wildlife and the medieval village of Les Baux-de-Provence.

"Provence – with a sun that floods everything with a light of fine gold" Vincent Van Gogh
(in a letter to his brother Theo - Sept 5 1889)

For our exploration of Provence, we base ourselves in a boutique hotel in the charming town of Saint-Rémy-de-Provence. Getting to our starting point of Saint-Rémy-de Provence is each participant's responsibility.
