October 27 - November 5, 2020

\$2700

Open Heart Tours  
based in Santa Fe, New Mexico.

Take the plunge into this most mystical time in Mexico: Day of the Dead. You'll experience the wild, the spiritual and the healing power of nature during this beautiful season in Oaxaca.

Mexican culture recognizes death as a natural part of the human experience alongside birth, childhood, and adult life. On Nov. 1 and 2, Dia de los Muertos, the dead get to spend time again with their community, awakened from eternal sleep for a brief visit with their loved ones.
