White Tiger Bhutan Tours

Ongoing Bhutan tours

Hello, I am Ghalem, owner of White Tiger Bhutan Tours. I look forward to meeting you and making your stay in Bhutan the most memorable, joyful trip of your life.

Here at White Tiger Bhutan Tours we do things a bit differently. I personally plan each trip, and I am present for most trips. We love to specialize in personalized tours of sites that are less touristic, off the beaten track, special tours, intimate views of Bhutanese life, and custom travel just for you.

I grew up in a very large family in the mountain rice fields of Punakha with many brothers, sisters, aunts, uncles and cousins. We have hundreds of relatives and friends throughout Bhutan, and we all help each other. We will visit my farm and meet my family. We'll make old-fashioned butter, cheese, & olive oil.

My 98-year old grandmother calls me the organizer in my family. I'm somehow the engine, and everything happens like clockwork because of our deep love and respect for each other. I'm also an expert chef, driver, organizer, people-networker, and mother of two girls. My name Ghalem means "Auspicious Sign". You'll soon learn that every person's name in Bhutan has a Buddhist meaning to help them along on their path. For example, my daughter is Kyzom, meaning "Gathering of Peace".
